

WELCOME

We are glad that you are here today. May today's service encourage you to know or grow in your knowledge and love of our great God and Savior Jesus Christ.

Here at GLC we believe children are a gift from God and that He has called us to all worship Him together. Parents, we understand that you are working with your children and there may come a time that a child needs to be taken out. We have the foyer, conference room, or downstairs equipped to help you continue to hear the service while working with your child. A nursing mother's room is also available off the foyer.

MINISTRY SPOTLIGHT

Pastor Josué Vargas Cousin

Iglesia de la Gracia del Señor Jesucristo - Miramar, Costa Rica

I hope you are being strengthened by the grace of our God. I want to inform you about our church and to thank you for your prayers for us.

We have also had the joy of receiving a new member to the church. It is our desire that the Lord continues to grow His kingdom on earth.

We are also facing some difficult situations, but in everything we have been able to see the Lord's hand. The economic situation for many households has not been good for several months, resulting in lower offerings.

Additionally, the cost of the church building's rent was raised a month ago. However, the Lord has been our Helper to this day, and we trust that He will continue to provide everything we need. We request your prayers that the Lord may allow these circumstances to improve according to His good will.

Finally, I also ask for your prayers that the Lord may raise up more men among us with the qualities and conviction to serve Him. It is our desire to have plurality at both the pastoral and diaconal levels.

We are very grateful for your support, and we ask you to keep praying for us, so that the Lord may grant us to grow every day in holiness, wisdom, and love, and that He may continue to provide for us in all our needs, as He has done until now.
